
Your MFA-Specialist™

An MFA-Business Tax or Retirement Services Specialist™ works on your behalf to manage long term risk to your family's net worth by helping you to:

- > Manage debt, monitor debt-to-entry ratios and build sustainable family wealth;
- > Interpret the results on your Net Worth Statements. Is the bottom line of your family's wealth growing every year?
- > Oversee and structure the tax, investment, retirement, succession, and business plans that secure your retirement and your legacy, including the community giving you may put into place;
- > Analyze all forms of capital including human, financial, and non-financial for improvement to your plan.

With broad technical and practical knowledge, your highly qualified Distinguished Master Financial Advisor™ adds a new value proposition to your professional financial team - or assembles one for you with the best results.

MAXIMIZE YOUR FINANCIAL WELL-BEING

Choose a Knowledgeable Professional with your Best Interests in Mind.

No matter how much money you have to work with, you can benefit from the expertise you get from a Distinguished Master Financial Advisor™.

What Can The RWM™, MFA™ or DFA-Specialist™ Do For You?

Your Distinguished Financial Advisor - Specialist™ will work with you in four areas of wealth management: to **accumulate** your pre-tax wealth, **grow** and **preserve** your after-tax wealth, and help you **transition** into retirement and beyond. The role is three-fold:

- > **Educate** and keep you informed so that you can feel comfortable asking the most basic questions, be confident in the answers and the decisions you make together;
- > **Advocate** on your behalf so that you can trust that your advisory team is looking out for the very best solutions for you and your family today and in times of transition, incapacity or through challenges like stock market volatility or a tax audit;
- > **Steward your Sustainable Wealth** – today and tomorrow – by helping you minimize taxes and fees while managing risk of wealth erosion from inflation and other economic events;

“The courses of the MFA™ designation program are immediately applicable in real life situations and very helpful in advising clients. Thank you for helping me do important work ...” - Dan A., MFA, CFP, EPC Ontario

- > **Understand your financial triggers** – the life, financial and economic events that require decision-making – and provide sound solutions;
- > **Strategize on a long term plan** - to get the most from your money by reducing your personal and corporate taxes, thereby finding new dollars for investment purposes so you can better plan for important life events like retirement, business succession and estate planning.
- > **Follow a clear process** so that you can consolidate inter-generational wealth and meet regularly to execute on your plan;
- > **Help you manage your risk** and enjoy true wealth, which comes with peace of mind about your financial affairs.
- > Inform you on the implications of ongoing change in tax and economic affairs that affect you and your wealth.
