

DANIEL POPESCU

CFP, CIM, FMA, FCSI
President & CEO
Harbourfront Wealth
Management Inc

In 2011, along with his partners, Danny sold an independent investment firm to a bank for \$333 million. In 2013, he decided to build a company again and founded Harbourfront Wealth Management. Today, Harbourfront is a key player in the wealth management space with branches across Canada. As President & CEO, Danny oversees the firm's operations, but he's better described as an entrepreneur, philanthropist, writer, public speaker, mentor, husband & father.

By 32 years of age Danny ranked as the number one advisor at Canada's largest asset management firm. At 33, he made partner at a national investment firm. At 36, Danny & his partners successfully sold their company to a major Canadian bank. At 39 he was named Business in Vancouver's Top Forty under 40.

Danny has delivered over 300 lectures which include joint speaking engagements with Kevin O'Leary from CBC's Dragon's Den, industry professionals and other entrepreneurs. In an effort to raise money for BC Children's hospital, Danny created a non-profit advisor training platform and coached & mentored more than 1000 Investment Advisors throughout his career.
