The RWM™, MFA™, MFA-P™, DFA-Tax Services Specialist™ and DFA-Bookkeeping Services Specialist™ designations are registered certification marks of Knowledge Bureau™

# 1 WHO IS THE REAL WEALTH MANAGER?

The most trusted financial advisor is the strategist who leads all the other specialists in the execution of the clients' strategic financial plan. Demonstrating deep and broad knowledge in tax-efficient investment, retirement and estate planning, the RWM™ is the coveted role deservedly filled by this knowledgeable professional.

# 2 THE RWM™ ADVANTAGE: CERTIFIED SKILLSETS

Advisors authorized to use RWM™ behind their names have a deep and broad understanding of both the behavioral and financial skills required to manage family wealth over several generations. Using extensive skills in providing tax efficient Real Wealth Management services, clients are presented with an unparalleled opportunity to work with a primary advisor who has assembled a trusted team of specialists to help guide financial requirements throughout various family lifecycles.

In collaboration with the family, the RWM™ develops a strategy and follows a process to manage inter-generational wealth on an after-tax basis. This sets the standard for decision-making for investment, retirement, business, succession and estate planning. The team is then responsible for the stewardship of wealth from one generation to the next.

# 3 MEETING HIGH STANDARDS - COMPLEMENT YOUR CREDENTIALS

**The RWM™ is earned with the completion of an 12 module program.** Ongoing use of the certification mark requires 30 hours of continuing professional development in each two year cycle. Best of all, the RWM™ complements other industry designations, requiring the graduate to be in good standing and practice with the highest standards of conduct.

## WHAT OUR GRADUATES SAY:

**“Knowledge Bureau, with their first-class courses, offers a sustainable, long-term educational framework for industry professionals. This is about implementing the Real Wealth Management process from an emotional intelligence, as well as a technical point of view, to guide clients in achieving their goals.”**

- Stephanie Keller, RWM™

# 4 WHAT'S INVOLVED?

With the training, tools and processes, a RWM™ is better positioned to consider a client's situation with a higher standard of care than a regular advisor. Over the long term, the RWM contributes not only as a knowledge specialist, but most importantly, as the primary advisor trained in the inter-advisory discipline of Real Wealth Management™. Specifically, the RWM possesses:

**1. Deep Knowledge** in a field of specialization suitable to their clients' needs:

- Investment Income Services
- Retirement Income Services
- Tax Planning Services
- Succession and Estate Planning Services

**2. A Strategy and Process** for Joint Decision-Making:

\* Chief Family Influencer

# 5 SYNONYMOUS WITH HIGH STANDARDS

We are proud to be the exclusive post-secondary educational institution offering the RWM™ Certificate of Distinction as well as the MFA™, MFA-P™ and DFA-Specialist™ Designation Programs, each of which lead financial professionals to a deeper level of specialization in their chosen field of expertise. Tens of thousands of professionals in the financial services, tax and accounting fields have trained with us over the years. **A Knowledge Bureau Education is synonymous with high standards of excellence.** Our programs include self-study courses conveniently available online, regional CE Summits, conferencing, books, subscription services and most recently the RWM Program.
